

GUIDES AND CULTURAL MEDIATORS

The mission of guides and cultural mediators is to share knowledge in a learned and sensitive way, sharing experience in dialogue with the users.

The guides and cultural mediators organise activities, guided tours and/or conferences in their respective areas of expertise.

Regarding architecture in Brussels, below is a list of specialists that you can contact directly.

They are all guides-lecturers with more than 10 years of experience working for different associations and on their own account.
